

# Proven Winners® *Perennials*

**Beauty you can see.**  
*Performance you can trust.*

## Live the Dream

Don't just dream about having a magnificent garden like this—make it your reality. It's easy when you start with exceptional quality Proven Winners® Perennials!

In this guide, you'll discover dozens of gorgeous perennials—some you may recognize and others may be brand new to you. These outstanding garden performers offer just what you're looking for in great garden plants: season-long interest, vibrant color, and easy maintenance.

Take a look inside and discover the beautiful world of Proven Winners® Perennials.

## Get This Look

This joyful foundation planting of Proven Winners® can be achieved by planting a grouping of three **DAISY MAY® Shasta Daisies** (p.32) and two **'Tuscan Sun' False Sunflowers** (p.10) in front of two Dwarf Alberta Spruce trees. When the daylilies bloom, they will provide color until fall.

Add window boxes filled with pink and white Supertunias®, water and fertilize well, and wait for the magic to happen!

# DECADENCE<sup>®</sup> Baptisia

## FALSE INDIGO

Hybridized and selected for their shorter, more compact habit and unique flower colors, DECADENCE<sup>®</sup> Baptisias are scaled to fit easily into today's home gardens. Their showy spring blooms add colorful flair followed by decorative seed pods which add interest to the fall garden.

Baptisia is an ancient perennial that was first used by Native Americans to make indigo dyes. It can be found growing naturally in meadows, tolerating heat and drought with ease and resisting deer browsing too. Be sure to choose a permanent location when planting Baptisia since mature plants resent being disturbed.

### Available in five colors:

- '**Blueberry Sundae**' PP23891 – Vibrant indigo blue blossoms
- '**Cherries Jubilee**' PP23907 – Maroon and yellow blossoms age to gold
- '**Dutch Chocolate**' PP23872 – Rich chocolate purple blossoms
- '**Lemon Meringue**' PP24280 – Lemon yellow flowers on charcoal stems
- '**Vanilla Cream**' PPAF – Pastel yellow buds open to creamy vanilla flowers

# FRUIT PUNCH® Dianthus

## PINKS

Prized for their beautifully fragrant, fully double flowers, FRUIT PUNCH® Dianthus are very easy to grow in any sunny area. Their flowers stand like mini carnations atop a short mound of evergreen foliage in early summer. A quick shearing after flowering will encourage them to rebloom in early fall.

Deer resistant, low maintenance and drought tolerant, attracts butterflies, fragrant, cute cut flower—what more could one want in a perennial? The Dianthus FRUIT PUNCH® series delivers all that and more in your choice of four colors.

**'Apple Slice'** PP21842 – Intricately patterned red and pink blossoms

**'Black Cherry Wild'** PP21893 – Velvety red blossoms with a narrow white edge
